CLASS ACTION

No. 2:12-cv-05125-MRP(MANx)

CLASS ACTION

1 I, Steven P. Feinstein, declare:

2 **I. Background and Qualifications**

3 1. I, Steven P. Feinstein, am an Associate Professor of Finance at Babson
4 College, and the president of Crowninshield Financial Research, Inc., a financial
5 economics consulting firm.

6 2. I hold a Ph.D. in Economics from Yale University, a Master of
7 Philosophy degree in Economics from Yale University, a Master of Arts in Economics
8 from Yale University, and a Bachelor of Arts degree in Economics from Pomona
9 College. I also hold the Chartered Financial Analyst (“CFA”) designation, granted by
10 the CFA Institute.

11 3. At Babson College I have taught undergraduate and MBA level courses
12 in Valuation, Capital Markets, Investments, Equity Analysis, Fixed Income Analysis,
13 Financial Management, Risk Management, and Quantitative Methods. I have also
14 taught executive courses on investments and corporate financial management for
15 numerous corporations.

16 4. Prior to my joining the faculty at Babson College, I taught finance at
17 Boston University. Previously, I was an Economist at the Federal Reserve Bank of
18 Atlanta where my primary responsibilities were to monitor financial markets, analyze
19 proposed regulation, and advise the Bank President in preparation for his participation
20 in meetings of the Federal Open Market Committee – the government body
21 responsible for monetary policy in the United States.

22 5. I am a member of the American Finance Association, the Financial
23 Management Association, the North American Case Research Association, the CFA
24 Institute, and the Boston Security Analysts Society, where I have served as a member
25 of the education committee and ethics subcommittee. I also served on the Fixed
26 Income Specialization Examination Committee of the CFA Institute.

27 6. The CFA designation is the premier credential for financial analysts
28 worldwide. In order to receive this credential, applicants must pass a series of three

1 exams covering such topics as economics, equity analysis, financial valuation,
2 business analysis, quantitative methods, investment analysis, portfolio management,
3 risk management, financial accounting, and ethical and professional standards. For
4 over ten years I taught in the Boston University CFA Review Program and the Boston
5 Security Analysts Society CFA Review Program – two of the leading review
6 programs that prepared candidates for the CFA exams. In both of these programs I
7 taught candidates at the most advanced level.

8 7. In addition to my teaching, research, CFA, and academic community
9 responsibilities, I practice extensively as a financial consultant. Past and present
10 clients include the United States Securities and Exchange Commission, the Internal
11 Revenue Service, the Attorney General of the State of Illinois, and the National
12 Association of Securities Dealers. As a financial consultant, I have conducted
13 analyses and presented opinions related to markets, valuation, and damages in over 50
14 cases. I have also published extensively in the field of finance.

15 **II. Scope of Engagement**

16 8. I have been retained by counsel for Plaintiffs to provide certain loss
17 calculations in order to help structure and quantify the plan of allocation of the
18 settlement proceeds in the Actions (the “Plan of Allocation”) among persons and
19 entities that purchased or otherwise acquired the Countrywide mortgage-backed
20 securities (the “Certificates”) pursuant or traceable to the 429 offerings at issue (the
21 “Offerings”).¹ My understanding is that of the \$500 million settlement, 65% (\$325.0
22 million) will be allocated to the 58 tranches that remain live in the case (the “Live
23 Represented Tranches”); 25% (\$125.0 million) will be allocated to the 111 tranches
24 for which a named Plaintiff, who purchased the Certificate, sought to act as a class
25

26 ¹ All capitalized terms, unless otherwise defined, are as defined in the Notice of
27 Pendency and Proposed Settlement of Class Actions, Fairness Hearing and Motion for
28 an Award of Attorneys’ Fees and Litigation Expenses (“Notice”).

1 representative only to have their claims dismissed or subject to dismissal as a result of
2 the Court's Motion to Dismiss rulings (the "Dismissed Represented Tranches"); and
3 10% (\$50.0 million) will be allocated to dismissed claims for the Certificates that are
4 contained in the 429 Offerings, but which no named Plaintiff purchased (the
5 "Dismissed Unrepresented Tranches").

6 9. It is my understanding that a Class Member may be entitled to receive a
7 distribution from the Net Settlement Fund. It is also my understanding that only those
8 Class Members who purchased or otherwise acquired Certificates from March 12,
9 2004 to October 16, 2008 ("Damages Period") pursuant or traceable to the 429
10 Offerings and suffered damages as a result of such acquisitions, are eligible to share in
11 the distribution of the Net Settlement Fund.

12 **III. Basis for Recognized Loss Calculation**

13 10. The objective of the Plan of Allocation is to distribute equitably the Net
14 Settlement Fund to those Authorized Claimants who allegedly suffered economic
15 losses as a result of the alleged misrepresentations in and omissions from the Offering
16 Documents pursuant to Section 11 of the Securities Act of 1933 (the "Securities Act").
17 Section 11 concerns liability for untrue statements and omissions in a registration
18 statement, under which losses are calculated as the "difference between the amount
19 paid for the security (not exceeding the price at which the security was offered to the
20 public) and (1) the value thereof as of the time such suit was brought, or (2) the price
21 at which such security shall have been disposed of in the market before suit, or (3) the
22 price at which such security shall have been disposed of after suit but before judgment
23 if such damages shall be less than the damages representing the difference between
24 the amount paid for the security (not exceeding the price at which the security was
25 offered to the public) and the value thereof as of the time such suit was brought."²

27 ² 15 U.S.C. §77k(e).

IV. Plan of Allocation – Recognized Loss

11. In order to share in the distribution of the Net Settlement Fund, a Class Member must have purchased or otherwise acquired a Countrywide Certificate during the Damages Period and must have suffered a Recognized Loss. The calculation of the Recognized Loss or Gain Amount, in accordance with the language of Section 11, will depend on several factors, including (i) when the Certificate was purchased or acquired; (ii) any principal payments received; (iii) whether the Certificate was sold, and if so, when it was sold (*i.e.*, before or after suit) and for how much; and (iv) the price of the Certificate on its applicable “Date of First Suit.”³ The “Recognized Loss or Gain Amount” will be calculated based on the outstanding “Face Value” (*i.e.*, the principal amount) for each Certificate at the time of sale, or if not sold, the outstanding Face Value as of the applicable Date of First Suit. Authorized Claimants will not be allocated loss amounts related to principal payments they received prior to the Date of First Suit. For each calculation of the Recognized Loss or Gain Amount, the Face Value Sold will be limited to be no more than 100% of the Face Value Purchased.

12. The percentage of the original aggregate principal balance that remains to be distributed to mortgage-backed security holders is referred to as the “Factor.” The Factor for a specific Certificate is computed as follows:

$$\text{Factor} = \frac{\text{Certificate's Remaining Outstanding Aggregate Principal Balance}}{\text{Certificate's Original Aggregate Principal Balance}}$$

13. As noted above, Factors are applied to account for situations where the original principal amount of the Certificates has declined. The Factor for each Certificate on the applicable Date of First Suit is stated in Tables A-C attached hereto

³ I am advised that the Dates of First Suit are (1) November 14, 2007; (2) June 12, 2008; (3) September 9, 2008; and (4) October 16, 2008.

1 and will be contained on the settlement website at
2 www.CountrywideMBSSettlement.com.

3 14. For each calculation of the Recognized Loss or Gain Amount, the
4 purchase price used for the calculation may not exceed the price at which the eligible
5 Certificate was offered to the public. Thus, if the actual purchase price exceeds the
6 price at which the eligible Certificate was offered to the public, the price at which it
7 was offered to the public will be used as the purchase price. If the sales price or the
8 price as of the applicable Date of First Suit exceeds the purchase price, then the
9 calculation will result in a Recognized Gain Amount for that Certificate.

10 **A. Calculation of Value on the Applicable Date of First Suit**

11 15. The following is a description of the valuation methodologies used to
12 estimate the Certificates' Value on the applicable Date of First Suit.

13 (a) For the 58 Live Represented Tranches and the 111 Dismissed
14 Represented Tranches, I attempted to obtain pricing data from Interactive Data
15 Corporation ("IDC") for each individual tranche for the applicable Date of First Suit.
16 IDC data is regularly used by finance professionals in order to price or value securities
17 like those at issue in the Actions. For 141 of the 169 securities, IDC pricing data was
18 available for the applicable Date of First Suit, and I used that pricing data to perform
19 my analysis.

20 (b) Of the 28 securities for which IDC pricing data was not available,
21 19 had a Factor of zero immediately prior to the applicable Date of First Suit, resulting
22 in no loss for those securities. For the nine (9) securities with no available IDC
23 pricing data and a Factor greater than zero, I estimated the value of the Certificate
24 based upon average prices of other securities with identical key characteristics,
25 including seniority, vintage, and interest rate type (*i.e.*, fixed or variable).

26 (c) For three (3) Live Represented Tranches that were Interest-only
27 Certificates, (i) CWALT 2005-J10, tranche 1A10; (ii) CWALT 2005-J5, tranche 1A4;
28 and (iii) CWALT 2005-J7, tranche 1A2, I estimated their value by multiplying the

1 price of the security by the notional principal balance outstanding. This valuation
2 technique is widely accepted for valuing interest-only certificates.⁴

3 (d) For the 9,214 Dismissed Unrepresented Tranches, I calculated
4 value at the Date of First Suit based upon average prices of other securities with
5 certain identical key characteristics, including seniority, vintage, and interest rate type
6 (*i.e.*, fixed or variable). Utilizing data from Bloomberg and IDC, I estimated the
7 average price for each type of security as of October 16, 2008, which is the Date of
8 First Suit with respect to the Dismissed Unrepresented Tranches. This process was
9 utilized for all of the Dismissed Unrepresented Tranches due to the large number of
10 securities at issue and the lack of pricing data for a large amount of the Dismissed
11 Unrepresented Tranches. Utilizing the average prices of securities that had these same
12 key characteristics, I estimated the value of the Dismissed Unrepresented Tranches as
13 of the Date of First Suit. Because there are limited pricing data for the Dismissed
14 Unrepresented Tranches, most Class Members' Recognized Losses will be calculated
15 based on the average price by Security Type. As a result, actual Recognized Losses
16 derived from the claims process may deviate from the estimated losses I computed.

17 16. The value of the Certificates as of the applicable Date of First Suit is
18 included in Tables A-C attached hereto, and will be contained on the settlement
19 website at www.CountrywideMBSSettlement.com.

20 **B. Calculation of Recognized Loss**

21 17. The Recognized Loss for each Certificate is to be calculated in a manner
22 consistent with the calculation of losses embodied in §11 of the Securities Act and
23 utilized in prior court-approved MBS settlements:

24
25
26 ⁴ See, *e.g.*, "Mark-To-Market Methodology, Mortgage Servicing Rights, and
27 Hedging Effectiveness," Chapter 47 in *The Handbook of Mortgage-Backed Securities*,
28 edited by Frank J. Fabozzi, McGraw-Hill, 6th edition, 2006.

(a) The Recognized Loss is zero if the price at which the Certificate was sold or otherwise disposed of is greater than the price at which the Certificate was offered to the public or the price at which it was purchased or acquired.

(b) For Certificates sold prior to the applicable Date of First Suit, the Recognized Loss or Gain Amount is calculated as follows:

$$\text{Face Value Sold} \times \left(\frac{\text{Purchase Price} - \text{Sale Price}}{100} \right)$$

(c) For Certificates sold on or after the applicable Date of First Suit, the Recognized Loss or Gain Amount is calculated as follows:

$$\text{Face Value Sold} \times \left(\frac{\text{Purchase Price} - \text{Sale Price}}{100} \right)$$

(d) For Certificates sold on or after the applicable Date of First Suit, the sales price used to calculate the Recognized Loss or Gain Amount shall be the **greater** of: (i) the eligible Certificate's price on the applicable Date of First Suit; or (ii) the actual sales price of the eligible Certificate.

(e) For Certificates that were not sold, the Recognized Loss or Gain Amount is calculated as follows:

$$\text{Face Value at applicable Date of First Suit} \times \left(\frac{\text{Purchase Price} - \text{Price on applicable Date of First Suit}}{100} \right)$$

(f) To determine the Face Value at applicable Date of First Suit, the relevant Factor must be applied as follows:

$$\begin{aligned} &\text{Face Value Purchased} \times \text{Factor on Applicable Date of First Suit} \\ &= \text{Face Value at Applicable Date of First Suit} \end{aligned}$$

C. Calculation of Net Recognized Loss

18. A "Total Recognized Loss by CUSIP" will be calculated for each Authorized Claimant on a CUSIP by CUSIP basis. Accordingly, multiple transactions by an Authorized Claimant in a single CUSIP will be netted; *i.e.*, the total Recognized Loss or Gain Amounts for that CUSIP shall be calculated by (1) totaling the

1 Recognized Loss Amounts for that CUSIP; and (2) subtracting from that total
2 Recognized Loss Amount the total of all Recognized Gain Amounts for that CUSIP.
3 A Total Recognized Loss by CUSIP cannot be less than zero.

4 19. Each Authorized Claimant's "Recognized Claim" is the sum of all that
5 Authorized Claimant's Total Recognized Losses by CUSIPs.

6 **V. The Plan of Allocation Is Fair and Reasonable**

7 20. With respect to calculating Recognized Losses, it is my opinion that from
8 a financial perspective the Plan of Allocation as described herein treats Class
9 Members equitably, when taken as a whole, and in a manner reasonably consistent
10 with my understanding of recoverable losses under §11 of the Securities Act as a
11 result of the alleged untrue statements and omissions.

12 I declare under penalty of perjury under the laws of the United States of
13 America that the foregoing is true and correct. Executed this 23rd day of July, 2013.

Notes & Sources:

Prices estimated based on securities with certain identical key characteristics, including seniority, vintage, and interest rate type (i.e. fixed or variable).
Factors obtained from trustee reports.

CERTIFICATE OF SERVICE

I hereby certify that on September 23, 2013, I authorized the electronic filing of the foregoing with the Clerk of the Court using the CM/ECF system which will send notification of such filing to the e-mail addresses denoted on the attached Electronic Mail Notice List, and I hereby certify that I caused to be mailed the foregoing document or paper via the United States Postal Service to the non-CM/ECF participants indicated on the attached Manual Notice List.

I certify under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed on September 23, 2013.
